

Chequamegon Bay Quilters
June 4, 2019

Attendance: 15

Location: Ashland Family Restaurant

This meeting was a social gathering for eating, conversation, and some show-and-tell.

We sat at one long table in the back alcove, ordered off the menu, and enjoyed camaraderie with other quilters. Coming-and-going from/to our cars, we witnessed the wind and white caps on Lake Superior and navigated between the lingering rain drops.

No business meeting was held.
