

CBQ Minutes ~ February 5, 2019

5:30--President Jan B. called the meeting to order

Secretary's report—posted via email for January, which method will continue until further notice.

Treasurer's report--\$2,928 in account. Discussion followed about renewing our raffle license for \$25.00. Sue G. moved to renew; Deb A., seconded the motion; all voted “Aye.” The license will be renewed.

New Business—Discussion about keeping our web site up-to-date, and the possibility of creating a position for a member to be responsible for this: a communication/public relations job. Jan S. will contact member Karen, with the idea of forming a sub-committee (Jan S., Karen, Amber, and Carrie G.) to work on this.

Discussion of quilt trip as a possible program option. Missouri Star in the fall was one idea: perhaps Th-Sun, which would cost about \$5,232 for bus transportation and 3 motel overnights, so about \$400 per person. Other ideas were proposed—a shorter trip; van rental for transportation. Most members present indicated that they'd be in favor of a longer trip, even with the expense. Jan S. and Sheri will continue to investigate, and e-mail their findings, so we can vote on this at the March meeting.

Old business—Discussion of quilt show and raffle. Deb A. made a motion that we have a raffle only, as no one has volunteered to be in charge of a show. Charlie seconded the motion, and it was approved by the members present. We will have a raffle, and no quilt show for 2020.

A thank-you note was received for the donated trail quilt

QOV—Jan S. has the fabric scraps and bolts.

Sunshine—February birthdays: Sheri and Sue G.

Show and Tell—Jan S: kids' pillow cases for hospital
Betty Chambers donated a quilt for QOV
Sheri: a seasonal all-wool wall hanging
Deb A: zippered purse for aunt and 3 seat belt cushions
Sue G: 2 of her 12 x 12 projects—baby quilts
Charlie: will share books/patterns from the *Quiltmaker* series
Jan B: falling charms baby quilt

6:20 the meeting adjourned

Sheri and Jan S. provided pizza, beverages, and cookies.

Program—Nancy Gavin presented Underground Railroad Quilt Patterns, with samples

and stories. She discussed the meaning of each quilt block used and explained that each was a message to slaves who were then illiterate. She shared a very interesting chapter of quilting history.
