

### Step 3:

---

Make 10  
LIGHT/MEDIUM

Join 10 of the 2" x 21" LIGHT strips to the 2" x 21" MEDIUM strips to make 10 strip units that look like this. Combine the fabrics at random. The strip units should measure 3-1/2" wide (raw edge to raw edge) when sewn. Press seams toward the MEDIUM fabric.

Make 10  
LIGHT/DARK

Join the remaining 2" x 21" LIGHT strips to the 2" x 21" DARK strips to make 10 strip units that look like this. Combine the fabrics at random. The strip units should measure 3-1/2" wide (raw edge to raw edge) when sewn. Press seams toward the DARK fabric.
